Education

P.E.S. Institute of Technology and Management (PESITM) — Shivamogga, India
*Bachelor of Engineering in Computer Science (Data Science) — **CGPA: 8.2*** — *2023 – Expected May 2027*

Sri Vidyabharathi PU College — Shivamogga, India
*Pre-University Course (PCMB) — **81%*** — *Completed 2023*

Sri Ramakrishna School — Shivamogga, India
*SSLC (10th Standard) — **85%*** — *Completed 2021*

Technical Skills

Programming Languages: C, Python, HTML, CSS, JavaScript
Frameworks / Libraries: Pandas, NumPy, TypeScript, React
Tools: VS Code, NetBeans IDE, Power BI, Tableau
Databases: SQL, NoSQL
Skills: Data Analysis, Data Management, Machine Learning, Generative AI

Projects

ClauseCraft AI — Completed

Tech: Next.js, FastAPI, Transformers, Supabase
AI tool for contract analysis using OCR, NLP, and a scalable backend with clause extraction and risk categorization.

Bengaluru Startup Pulse — Completed

Tech: TypeScript, DeepSeek AI, Supabase, Puppeteer, Web Scraping, Gov APIs
Live dashboard that scrapes and analyzes Bengaluru startup data for funding trends and government insights.

RiskiQ — Completed

Tech: Next.js, Python, Supabase, ML, NLP
4-in-1 AI platform for RBI compliance: Compliance Auditor, Loan Risk Scoring, Fraud Detection, and Regulatory Reporting.
Ranked in the **Top 10** at Hackfest Hackathon NMAMIT, Karakal.

Troop Management System — Completed

Tech: Java, SQL (NetBeans)
Troop management software to handle member records, attendance, and activity logs using secure MySQL-based backend.

AxiomTrace — Completed

Tech: React, Node.js, MongoDB, Blockchain Security, Azure Pipeline, Azure ML, Pandas
Advanced tool for digital forensics and incident response with AI-driven evidence handling and blockchain-based tracking.
Integrated Azure ML for automated data analysis, making investigations faster and more accurate.

Achievements & Certifications

Finalist at **Smart India Hackathon (SIH) 2024**.

Top 10 Finalist – RiskiQ, Hackfest Hackathon NMAMIT Karakal.

Participated in **FOSS Hackathon**.

Active member of coding club **ASTRA**.

Conducted internal Smart India Hackathon at PESITM.
